

Hilma Af Klint

Creative Director: Alec O'Brien

Designer: Miles Lee

Notes for Miles-

- Looks great so far! Site is very easy to navigate and the tabs are make sense with how I wanted to portray Hilma
- Love the image gallery in each tab
- Impressive use of JavaScript

Critique-

- Have the tabs scale better so that all five can fit on the same line at all sizes
- Edit the color of "The Five" section so that it fits better with the works of art
- Add image captions
